## RAILROAD IS READY TO EXTEND

Five Minute Service To Pearl Harbor When Asked For

In two weeks time the Oahu Railway can have its lines extended to the naval reservation at Pearl Harbor and a five minute service established between this city and the harbor.

This statement was made this morning by one in a position to know what the railway is doing. It appears that the railroad has not been asleep although the talk of the extension of the Rapid Transit has led many to believe that the steam railway was somewhat indifferent to the future of Pearl Harbor service.

The railroad managers have been in correspondence with the government and the road is now carrying the employees working at the harbor and whatever material is shipped by land.

Whenever the Government makes it known that a more direct and frequent service is needed the railroad is ready to deliver the goods in a comparatively few days. The present equipment of the line is now such that, by putting in one additional switch on the main line and extending a spur track near Puuloa, a five-minute service for freight and passengers to and from the town can be provided in a very short time. The company is waiting for the Government to say the word to go ahead.

## FALSE RUMOR

Concerning published rumors that Matson and Inter-Island interests will combine, President Kennedy of the Inter-Island Steam Navigation Company this afternoon said it was all news to him, and denied all actual foundation for the report.

## CHINESE CRUISER

(Continued from Page 1)

Indemnity rescinded the Chinese Government by the United States. Chinese Consul Tsen Hoy stated by telephone this morning that he had read an article in a Chinese newspaper announcing the arrival of the cruiser.

"I have not been officially notified of the coming of the cruiser," said the Consul, "but I know that High Commissioner Tong Shiu Yee has been designated by the Chinese Government to proceed to Washington and extend the thanks of the Chinese Government to the President of the United States for the remission of the indemnity."

On account of the arrival of the cruiser the local Chinese are getting in readiness to extend a splendid welcome and reception to the High Commissioner and the officers of the vessel. The cruiser will remain here long enough to take coal before she resumes her voyage to the United States.

Sheriff Hauke is reported to be laid up by illness at Waikane, where he went a few days ago to spend a vacation. It is believed that he has another attack of asthma, from which he has been suffering for a long time. All members and owners of autos interested in good roads and sports, are wanted to meet this evening at 7:30 o'clock at the Promotion Committee rooms, with the Auto Club of Hawaii.

Fugihara and Shiu, two Japanese who were arrested at Waimanalo, by Sheriff Fernandez and Officer John Leal, forfeited bail in the sum of \$100 each at the Ewa court last Tuesday.

The Japanese captain of the tug Kana was fined \$500 because he carried passengers without a license.

Count Szecsenyi at Budapest donates recently circulated about the illness of his wife, formerly Miss Gladys Vanderbilt.
